

Characteristics	VB 30	VB 35	VB 45		VB 25	VB 35	VB 45
Capacity (t)	30	35	45	Number of cylinders	2	2	2
Power (kW/hp)	7,5/10	9/12	11/15	Counterbalance Valve	Sim	Sim	Sim
Rotation Time (min)	1m 50s	1m 50s	1m 50s	Weight, (kg)	2950	3100	3200
Work Pressure (bar)	260	260	260	Dimensions (LxWxH) (mm)	4000x1500x2500		
Tank Capacity (l)	105	105	105				

## Optionals

Weighing System with Display	Weighing System with Touch Screen and Printer
Weighing System with Display and Printer	Wheels with Electric Traction
Weighing System with Display and PC Connection	

## ADVANTAGES

- Efficient, fast and safe.
- Good visual block inspection (minimizes waste).
- Doesn't damage the stone edges.
- Low use of overhead crane.
- Low maintenance.
- Contact surface with nylon.
- Counterbalance valve.
- Automatic stopping.
- Soft start.
