

Characteristics	VC 5	VC 10
Capacity (t)	5	10
Power (kW/hp)	2,2/3	2,2/3
Work Flow (l/min)	6	6
Work Pressure (bar)	200	240
Tank Capacity (l)	45	45
Number of Cylinders	1	1
Rotation Time (min)	1,5	1,8
Weight (kg)	1120	1200
Dimensions (LxWxH) (mm)	2490x1795x1410	

Optionals

Wheels with Electric Traction

ADVANTAGES

- Improved profitability of work.
- Increased safety in handling.
- Less broken slabs.
- Loading of cutting table.
- Avoids forklifts movement on the factory.
- High productivity of the gantry.
- Soft start.
- Counterbalance valve.
- Automatic stopping.
