

Characteristics	CC 4
Capacity (t)	4
Dimensions (LxWxH) (mm)	8100x800x2100
Transportation Dimensions (LxWxH) (mm)	5600x2200x100
Weight (kg)	3500
One Accessory	Hook, Several Hooks or Parallel Arms
Hook Accessory (LxWxH/measured tip) (mm)	1778x372x324/300
Several Hook Accessory (LxWxH/measured tip) (mm)	2415x372x320/220
Parallel Arms Accessory (LxWxH/measured tip) (mm)	2400x580x310/520

Hook

1778 mm

Several Hooks

2415 mm

Parallel Arms

2400 mm

ADVANTAGES

- Safety.
- Efficiency.
- Fast.
- Loading and unloading of slabs without damage.
- Avoid fuel consumption.
- Speed in task execution.
- Allows to load higher slabs.
- Loading slabs, boxes or stone slab storage slab easier.
- More safety for the operator and people involved.
- Does not damage the container.
